

NOTICE OF PUBLIC HEARING

Regarding the Formation of California Home Finance Authority Community Facilities District No. 2014-1 (Clean Energy) And the Levy of a Special Tax Therein
WEDNESDAY, NOVEMBER 12, 2014 at 8:30 a.m.
1215 K Street, Suite 1650, Sacramento, CA 95814

NOTICE IS HEREBY GIVEN that on September 26, 2014, the Board of Directors of the California Home Finance Authority ("CHF") adopted Resolution No. 2014-04, (the "Resolution") scheduling a public hearing to consider the establishment of a community facilities district, the designation of authorized improvements, and all other matters set forth in that resolution. The district will be established in accordance with section 53328.1 of the Mello-Roos Community Facilities Act of 1982 (Government Code section 53311 et seq.), as amended (the "Act"), to be known as "the California Home Finance Authority (CHF) Community Facilities District No. 2014-1 (Clean Energy) (the "District"). A public hearing will be held by the Board at 8:30 a.m. on Wednesday, November 12, 2014, in the regular meeting place of the Board of CHF, 1215 K Street, Suite 1650, Sacramento, California 95814, or as soon thereafter as the Board may reach the matter. In addition, it is expected that the Board will continue the public hearing to 8:30 a.m. on Wednesday, December 10, 2014, at 1215 K Street, Suite 1650, Sacramento, California 95814.

The purpose of the District is to levy a special tax to finance or refinance (including by lease or power purchase agreement) the acquisition, construction, and installation of energy efficiency, water conservation, and renewable energy improvements affixed to or on residential, commercial, or industrial property. Importantly, the only way any property could be annexed to the District and levied with the special tax is if (1) if the property is located in the unincorporated territory of a County, the legislative body of the County has adopted a resolution consenting to the annexation of properties within the unincorporated territory of the County to the District; (2) if the property is located in the incorporated territory of a City, the legislative body of the City has adopted a resolution consenting to the annexation of properties within the incorporated territory of the City to the District; (3) all of the owners of the property sign a "Unanimous Approval Agreement" requesting annexation and agreeing to pay the special tax (the "Agreement"); and (4) CHF approves the Agreement and allows the annexation to occur. In other words, CHF will have no authority to annex a property to the District or levy the District's special tax on a property unless all owners of that property approve. The special tax for each annexed property will pay only for the specific, agreed-upon improvements.

The territory proposed for annexation to the District includes (1) any unincorporated land within those counties that are now or in the future either full members or associate members of CHF and consent to the annexation of properties within their jurisdiction to the District and (2) any incorporated land within those cities that are now or in the future either full members or associate members of CHF and consent to the annexation of properties within their jurisdictions to the District.

This Notice briefly summarizes the Resolution. You should read the Resolution itself for the definitive description of the District's financing program, including a description of the costs and the improvements that are authorized for this method of financing. The Resolution can be found at http://www.chfloan.org/chf/2014_resolutions/Resolution_14_04.pdf. A copy of Resolution No. 2014-04 also may be reviewed or obtained at the office of the Secretary of CHF, 1215 K Street, Suite 1650, Sacramento, California.

As provided in the Act, the Board must hold a public hearing before the Board may establish the District and designate the territory that may be annexed to it. This is the notice of the public hearing.

At the public hearing, any persons interested, including all taxpayers, property owners, and registered voters, may appear and be heard, and the oral or written testimony of all interested persons or taxpayers for or against any of the following will be heard and considered: (1) the establishment of the District and the authorization to levy the special tax and incur debt (as defined in the Act), (2) the extent of the territory proposed for annexation to the District in the future, (3) the acquisition or construction of any of the proposed improvements, or (4) any other matters contained in the Resolution.

Any protests to the proposal may be made orally or in writing by any interested persons, except that any protests pertaining to the regularity or sufficiency of the proceedings must be in writing and must clearly set forth the irregularities and defects to which objection is made. The Board may waive any irregularities in the form or content of any written protest and, at the public hearing, may correct minor defects in the proceedings. All written protests not presented in person at the public hearing must be filed with the Secretary of the Board at or before the time fixed for the public hearing in order to be received and considered. Any written protest may be withdrawn in writing at any time before the conclusion of the public hearing.

Written protests by a majority of the registered voters residing and registered within the boundaries of the territory proposed for annexation to the District will require suspension of these proceedings for at least one year. If such protests are directed only against certain elements of the proposal, then only those elements need be excluded from the proceedings.

The CHF Executive Director or such officer's designee (the "Executive Director") has studied the proposed District and will provide, at or before the time of the public hearing, a report describing the following: the authorized improvements; the incidental, financing, and administrative costs of the District; the methods of financing available; the form of the proposed Unanimous Approval Agreement; recommendations for appropriate procedures and criteria for processing and evaluating applications for participation in, and annexation to, the District from the owners of property within the territory proposed for annexation in the future; and an estimate of the related incidental expenses—all in accordance with the Resolution. The report will be available for inspection by the public and will become a part of the record of the public hearing. Questions should be directed to Greg Norton, Executive Director, CHF, whose telephone number is (916) 447-4806.
