NOTICE OF PUBLIC HEARING OF THE

CALIFORNIA HOME FINANCE AUTHORITY [Voluntary Contractual Assessment Program]

NOTICE IS HEREBY GIVEN that the Board of Directors of the California Home Finance Authority ("CHF") will hold a public hearing on Wednesday, December 10, 2014, at 8:30 a.m., or as soon thereafter as feasible, in the Board Room, 1215 K Street, Suite 1650, Sacramento, California 95814, to consider establishing a voluntary contractual assessment program (the "Program") to assist property owners with the cost of installing distributed generation renewable energy sources, making energy or water efficiency improvements, and/or installing electric vehicle charging infrastructure that are permanently fixed to real property, pursuant to Chapter 29 of Part 3 of Division 7 of the California Streets and Highway Code (the "Act").

The Program would allow CHF and owners of real property located within the boundaries of the Program (the "Program Boundaries") to voluntarily enter into contractual assessments to finance or refinance the installation of distributed generation renewable energy sources, energy and water efficiency improvements and/or electric vehicle charging infrastructure that are permanently fixed to real property. The Program Boundaries will include (1) any unincorporated land within those counties that are now or in the future either full members or associate members of CHF and elect to participate in the Program and (2) any incorporated land within those cities that are now or in the future either full members or associate members of CHF and elect to participate in the Program.

In taking formal action to initiate proceedings to consider the establishment of the Program, CHF is required to prepare a report pursuant to Section 5898.22 of the Act (the "Program Report"), containing, among other information, a map showing the Program Boundaries, a draft contract specifying the terms and conditions that would be agreed to by participating property owners and CHF for participation in the Program; a plan for raising a capital amount required to pay for the work performed pursuant to the voluntary contractual assessments; and a statement of the policies concerning the Program. At the time of the hearing, the Program Report will be summarized and all interested persons may appear and comment upon, object to, or present evidence with regard to the Program, the extent of the area proposed to be included within the Program Boundaries, the terms and conditions of the draft contract, or the proposed financing provisions. Pursuant to Section 5898.26 of the Act, at the conclusion of the hearing, the CHF Board may adopt a resolution confirming the Program Report or may direct its modification in any respect. Under the Act and the Improvement Bond Act of 1915, CHF may issue bonds that are payable by contractual assessments and CHF may advance its own funds to finance work to be repaid through contractual assessments and may from time to time sell bonds to reimburse itself for such advances.

If you have any questions regarding the Program or wish to obtain a copy of the Program Report when it becomes available, please contact Ygrene Energy Fund CA, LLC, Program Administrator, at 100 B Street - SU 210, Santa Rosa, CA 95401, or by email at CAPACE@ygrene.us.
